This £25 application fee covers the cost of processing new applicants and confirms your place on our waiting list. It is not a deposit. The fee does not guarantee the full 15 hours or any specific sessions as sessions are offered on availability. We do our best to offer a place around your preferred start date, but places are limited and the start date on your application form is not guaranteed by the application fee. Once you are on our waiting list we will contact you as soon as we know a place is available and will contact you to discuss the sessions that are free. Our main intake is in September. We do take children throughout the year but places are more limited. If your child is 3 years old at the time of application or eligible for FEET funding then you are not required to pay this application fee. Unless you wish to register a place on the waiting list over 10 weeks in advance of your preferred start date.
