

## **Adventurers & Junior Adventurers: Activities this term**

This term we are Superheroes! We have planned lots of activities which will cover all areas of learning from making masks and capes to fun physical challenges. We are also using the Superhero theme to teach the children the rules and boundaries within our setting.

### **Other activities include:**

- Looking at recycling and waste
- Enjoying our outside space – planting bulbs and flowers to support the Limpsfield in Bloom competition and the Oxted & District Horticultural Society's 'Celebration of Local Gardening' competition
- Celebrating the Queen's Birthday
- Sports Day and Father's Day events
- Music and Write dance
- Lots of role play including hairdressers, zoo, vets, office, shops and birthday parties
- Learning our sounds y, z, a, b, c, d and e, careful counting and basic mathematical language
- Learning how to hold our pencil correctly and start to form letters
- Working on our independence and school readiness skills
- Preparing the children who are leaving for school with story sacks, circle time discussions and visits from their new teachers
- Science activities on a Friday – from making volcanoes to finding out which things sink & float

### **Limpsfield Fair – singers needed**

We will be singing a few songs at the Fair this year – Saturday 18 June at 12 noon on the Glebe meadow (bottom of St Peter's Hall car park). The performance will be for about 10 minutes. We would love as many children as possible to join us. Please let me know as soon as possible if your child can attend.

### **Show & Tell**

Now that everyone has taken home the treasure box, we are going to run Show & Tell on Monday and Thursday mornings and Friday afternoons. This is for any child who wants to bring something in to show the group. We would prefer this not to be lots of toys, but items of interest and achievements.

### **Opening Times**

In order to ensure all is set up and our checks are completed we open the doors at 9:15 in the morning and 12:15 (12:00 on a Friday) in the afternoon, thanks for your co-operation with this.

### **Please name all property**

Our lost property box is overflowing, please remember to name all your child's belongings so we can try to return them to the rightful owner.

### **Getting involved at home**

Please see our list of [School Readiness skills](#), which you can support at home as well, helping your child to prepare for big school.

### **Attendance and lateness**

The terms of the Early Years funding require us to monitor attendance and that all children arrive on time to take full advantage of the session. Please let us know if your child cannot attend a session by emailing me, calling us on 07812 522492 or speaking to one of our team. We ask for all children to be in nursery by 9:30 in the morning and 12:30 in the afternoon.

### **New Faces**

We welcome Lulu Scott and Chloe Wilford to our nursery this term. Both are studying childcare and have joined us for work placements.

### **Weekly Plans**

You can view our full weekly plans on our website: <http://panda-nursery.com/plans/>
